

UNIVERSITY OF NEW YORK IN PRAGUE

## Northeastern University brings its prestigious *N.U.in* program to UNYP

**August 1<sup>st</sup>, 2018 - Prague, Czech Republic.** Continuing in its commitment to provide students with a transformative, multicultural, and impactful education, the [University of New York in Prague](#) is proud to be partnering with [Northeastern University](#) and to launch the [N.U.in Czech Republic](#) program this Fall.

Northeastern University is ranked in [U.S. News & World Report University Rankings](#) as the 40<sup>th</sup> best university in the USA and 228<sup>th</sup> globally. “We are incredibly proud that such a highly ranked University from USA chose UNYP to partner with for its *N.U.in* program in the Czech Republic,” commented Sotiris Foutsis, General Manager of UNYP.

“The *N.U.in* Program is now offered in 12 countries and it is like no other study abroad experience; it engages incoming Northeastern students with one of the university’s many global experiential learning programs,” said Sundar Kumarasamy, Vice President for Enrollment Management at Northeastern University. “We chose UNYP for its strong reputation of academic excellence in the Czech Republic. Our students feel challenged by the international atmosphere but will also appreciate the America-style university culture and rigor. This balance makes for a great partnership between our two institutions.”

The UNYP community is excited to welcome *N.U.in* Czech Republic students and staff members to campus in September, and looking forward to sharing with them the unique multicultural environment and friendly hospitality of our students, faculty and staff.
